Itinerary

The Mediterranean is more than a place you visit – it's an experience that resides within you – one that you'll revisit again and again. On this voyage of discovery, we will help create a connection between you, the scenery, the people and the cultures. This voyage will introduce you to the warmth of the region in a way that little else can. At each port of call, you'll have the opportunity to step onshore and into real life.

Day 1 Civitavecchia (Rome) / Embark the Equinox

Embark the Equinox in the early afternoon and have time to register for CMEatSEA, settle into your stateroom and join us for our Welcome Aboard Cocktail Party before dinner onboard later in the evening. The ship will set sail at 6pm.

Day 2 Naples (Pompeii, Capri, Sorrento)

Located on the southern coast of Italy, Naples has spectacular scenery that attracts artists from around the world. From this key spot, you can embark on a trip to the ruins of Pompeii or shop the many boutiques of Sorrento. You may work up an appetite for one of Naples' greatest inventions – pizza – invented to honour the Queen of Italy in 1889.

Day 3 At Sea

Take a day to enjoy shipboard life: relax poolside, watch the Mediterranean pass by, play some table tennis, or read up on our next port at the Reading Gallery.

Day 4 Santorini, Greece

35.25 degrees north. 25.20 degrees east. Perfection has coordinates. Here on Santorini, you will find whitewashed houses accented by roofs of the bluest blue – there's no doubt that azure waters of the Aegean have served as creative inspiration. Among the many historic sites on the island is the ancient city of Akrotiri, once buried under a thick blanket of volcanic ash over 3,600 years ago.

Day 5 Kusadasi (Ephesus), Turkey

Nestled along the craggy shores of the Aegean Sea is the Turkish port of Kusadasi. Renowned as one of the most beautiful cities along the Aegean, Kusadasi is blessed with sunshine an average of 300 days a year. This beautiful city is the perfect setting to begin your journey to Ephesus.

Day 6 Piraeus (Athens), Greece

Your adventure in Athens begins five miles southwest in Greece's largest seaport, known as Piraeus. While here, be sure to take notice of what is considered to be one of the greatest contributions from the ancient Age of Pericles, the city's infrastructure, which today we know as the city block.

Day 7 At Sea

There are so many activities and choices onboard the Exquinox – there hardly seems time in the day for even half of them! Enjoy a relaxing fun-filled day onboard.

Day 8 Corfu, Greece

One of Greece's most popular islands is known as "the green island" because of the 3 million olive trees and the flower-strewn countryside. Her Adriatic-style villages offer a fascinating mixture of old tavernas, new cafes, Byzantine Churches, discos, shops, plus an amazing old city between two fortresses.

Day 9 Dubrovnik, Croatia

This charming little town has been resting on the Dalmation Coast for some 1,300 years. Once you pass through Old Town's stone walls, you will be transported into the breathtaking medieval world of Stari Grad. Marble-paved squares, monasteries and fountains are just a few of the antiquities still standing just as they were over a thousand years ago.

Day 10 Venice, Italy

One of the world's most beautiful cities also happens to be one of its most unusual. Venice is actually made up of over 120 islands in the Adriatic Sea. Because the city is connected by canals instead of streets, a good way to see Venice is on a romantic gondola ride. The epicenter of the city is St. Mark's Square, where you'll find the 900-year-old Basilica of St. Mark.

Day 11 Venice, Italy

This morning you will disembark the Equinox in one of the most magical places in the world. For those who have the time to spend in this romantic city, there is much to see and do.

You have a high caliber of speakers. I usually don't expect to have this much new information from most seminars.

Dr. Anthony Lam, Calgary AB

This is our 2nd CME with CMEatSEA. Quality speakers, advance course materials, good schedule onboard, social events and excellent service of the CME staff onboard contribute to an excellent CME event with a vacation.

Dr. S. Kalaichandran, North York ON

I wish to use this to thank Judy, Gwen and the other organizers for all the hard work that went into making the whole program a huge success. This was my first cruise and I loved it. It was so nice getting the gifts every night and I couldn't wait to see what the gift of the day would be. Your hard work is greatly appreciated. Keep up the good work. I will surely attend another CMEatSEA program and recommend it to my friends.

Dr. Victoria Udoeyop, Cornwall ON

This was the best organized of the 3 cruises that I have presented at. Your attention to detail was amazing. Family felt part of the experience.
