

Men's Health and Neurology Update 2014
Baltic - Scandinavia and Russia
July 8 to July 20, 2014
Celebrity Cruises - Celebrity Constellation
Up to 32 CME hours

" Education is not filling a pail, but the lighting of a fire." W.B. Yeats

CMEatSEA's unique educational model includes:

- assessment of delegates' knowledge and performance gaps
- interactive learning featuring "Turning Point" technology and case-based workshops
- ongoing dialogue with distinguished presenters, inside and outside the classroom
- destination specific local content
- review of topics in evidence based natural medicine: exploring implications for patient care
- practice management topics
- physician health topics
- an integrated partner program

You are invited to join our unique learning community as we cruise and explore! You should attend if you are a family physician, a general internist, a specialist in Urology/Men's Health or Neurology, or a specialist wishing to broaden your knowledge.
